

Leonard Cohen - Suzanne

Mi 5è

Mi

Fa#m

Suzanne takes you down to her place near the river You can **hear** the boats go by

Mi

You can spend the night beside her And you **know** that she's half crazy

Sol#m

But that's why you want to be there And she **feeds** you tea and oranges

La

Mi

That come **all** the way from China And just **when** you mean to tell her

Fa#m

Mi

That you **have** no love to give her Then she **gets** you on her wavelength

Fa#m

Mi

And she **lets** the river answer That you've **always** been her lover

Sol#m

La

And you **want** to travel with her And you **want** to travel blind

Mi

Fa#m

Mi

And you **know** that she will trust you For you've **touched** her perfect body with your **mind**.

Fa#m

And Jesus was a sailor When he walked upon the water And he **spent** a long time watching

Mi

From his lonely wooden tower And **when** he knew for certain

Sol#m

Only drowning men could see him He said "**All** men will be sailors

La

Mi

Then **until** the sea shall free them" But **he** himself was broken

Fa#m

Mi

Long **before** the sky would open Forsaken, almost human

Fa#m

Mi

He **sank** beneath your wisdom like a **stone**

Sol#m

La

And you **want** to travel with him And you **want** to travel blind

Mi

Fa#m

Mi

And you **think** maybe you'll trust him For he's **touched** your perfect body with his **mind**.

Fa#m

Now Suzanne takes your hand and she leads you to the river she is **wearing** rags & feathers

Mi

From Salvation Army counters And the **sun** pours down like honey

Sol#m

On our lady of the harbour And she **shows** you where to look

La

Mi

Among the **garbage** and the flowers There are **heroes** in the seaweed

Fa#m

Mi

There are **children** in the morning They are **leaning** out for love

Fa#m

Mi

And they'll **lean** that way forever While **Suzanne** holds the mirror

Sol#m

La

And you **want** to travel with her And you **want** to travel blind

Mi

Fa#m

Mi

And you **know** that you can trust her For she's **touched** your perfect body with her **mind**.
