

[Tonight we'll be fine](#) - Leonard Cohen

C G7 C  
Sometimes I find I get to **thinking** of the past.  
G7 C  
We swore to each other then that our **love** would surely **last**.  
G7 C  
You kept right on loving, I **went** on a **fast**,  
G7 C  
now I am too thin and your **love** is too **vast**.

F C F C  
But I **know** from your **eyes** and I **know** from your **smile**  
F C G7 C  
that to**night** will be **fine**, will be fine, will be fine, will be **fine** for a **while**.

G7 C  
I choose the rooms that I **live** in with **care**  
G7 C  
the windows are small and the **walls** almost **bare**,  
G7 C  
there's only one bed and there's **only** one **prayer**;  
G7 C  
I listen all night for your **step** on the **stair**.

F C F C  
But I **know** from your **eyes** and I **know** from your **smile**  
F C G7 C  
that to**night** will be **fine**, will be fine, will be fine, will be **fine** for a **while**.

G7 C  
Oh sometimes I see her **undressing** for **me**,  
G7 C  
she's the soft naked lady love **meant** her to **be**  
G7 C  
and she's moving her body so **brave** and so **free**.  
G7 C  
If I've got to remember that's a **fine** memory.

F C F C  
But I **know** from your **eyes** and I **know** from your **smile**  
F C G7 C  
that to**night** will be **fine**, will be fine, will be fine, will be **fine** for a **while**.
